**Terms and Conditions:**

**MOTORCYCLE RACING IS DANGEROUS** and persons attending motor racing events do so entirely at their own risk. It is a condition of this Motorcycling Australia Media Accreditation that all persons having a connection with the promotion and/or conduct of the meeting, including the owners of the land, the riders, owners of the vehicles and the passengers in the vehicles are absolved from all liability arising out of accidents causing damage or personal injury except where due care and attention have not been exercised.

This pass remains the property of Motorcycling Australia and it can revoke accreditation at its discretion. Failure to follow instructions from Race Officials whilst on course will result in immediate revocation of your accreditation and ejection from the property. Misconduct is taken seriously and in addition to revocation of your accreditation, inappropriate behaviour will be taken into consideration in future accreditation applications.

Lost accreditation must be reported immediately as the identification number must be cancelled and a new one will be issued at a charge of \$30. Accredited vests provided by the Series must be worn when on the course and returned once you have attended all rounds/events you planned on attending, otherwise a replacement fee will be charged; similarly replacement of lost vests will incur a charge.

If requested you agree to supply MA with copyright free images, in a timely fashion, for use at its discretion. The use of these images will mainly be editorial based.
