

ASBK RIDER NUMBER PROCESS

This document outlines the process that is to be followed for application and allocation of numbers for riders competing in the Australian Superbike Championship Series.

The following rules are put in place when reserving a number for the 2016 season:

- All riders who competed in the 2015 season do not need to reapply for a new number as your existing number will be rolled over into the 2015 Series.
- You are only required to submit an application if you meet one of four criteria outlined below:
 - You are a new ASBK competitor, or have been inactive in the Championship since the end of 2015.
 - You currently hold an existing number in the ASBK Series but wish to change your number within that class.
 - You currently hold an existing number but changing into a new class.
 - You held a number in the 2015 ASBK but did not compete in any round.
- If you had a reserved number in 2015 but did not compete in any round of the championship, your number is forfeited and will need to re-apply but the application cut-off date. If your application is received after the cut-off date and another rider has requested your number, you will lose rights to riding with that number.
- If a rider elects to take up a number between 1 and 10 based on their 2015 Championship placing (as per GCR 13.13.1.1), their existing number will be reserved for one (1) year, from which they can return to that number. If a rider chooses to use a number reflecting their championship standing for two consecutive years, the rider forfeits the right to their original race number.

Process to apply for an ASBK Rider Number:

1. Download the 2015 Rider Number Allocations located at <http://www.ma.org.au>
2. Identify three desired numbers in your class of competition
3. Complete the 2015 ASBK Rider Number Application Form located at <http://www.ma.org.au>
4. List your three preferences and return as instructed on the PDF form

Following the submission of your application, you will receive an e-mail of receipt within 24 hours. If you do not receive this e-mail, please contact the Events Department at Motorcycling Australia on (03) 9684 0514.

Please Note: No number allocations will occur until 22 January 2016.

If your desired number is reserved, you can still enter it as your 1st preference.
