Please note there is strictly no parking in the display area and bump in/out times must be followed.

Please note if bringing a tent, it will need to be weighted or pegged down. Power is not provided, but can be arranged. If you require power, please indicate so on your application. All vendors must provide Motorcycling Australia with relevant insurance documentation/cover notes stating at a minimum, that the vendor is in fact insured for greater than ten million dollars in respect of public liability insurance that is applicable to their business. Once received, MA will forward this to our insurer for assessment.
