

18 September 2018

To Competitors and Teams,

**Information Regarding Technical Inspection conducted after the Winton Motor Raceway
Round 6 of the Australian Superbike Championships.**

Motorcycling Australia (MA) would like to advise all competitors of the following information.

In addition to the ongoing technical checks carried out throughout the Championship, a further technical inspection was conducted on the following Superbike machine after the Winton Motor Raceway Round of ASBK:

No: 17 Troy Herfoss

Honda CBR1000SP1

The engine seal was inspected prior to disassembly and was found to be intact and functional.

The following technical checks were conducted on the machine listed above:

- Camshaft profiles; Compliant
- Bore & Stroke; Compliant
- Cylinder Head; Compliant
- Valves; Compliant
- Transmission; Compliant
- Stator & Rotor; Compliant
- Oil Pump; Compliant
- Clutch Assembly; Compliant
- Crankshaft; Compliant
- Pistons and Connecting Rods; Compliant.

MA would like to thank all competitors for their cooperation and professionalism during the additional technical inspections conducted throughout the season.

Ride. Race. Enjoy.
