09:05 – 09:40	Kawasaki Superbike
09.40 – 10.10	bLU cRU Oceania Junior Cup

Machines entered into the specific class time slot will be given priority and have the right to go ahead of any non-scheduled competitor.

There will be additional technical inspection held on Saturday morning from 7.00am for any competitors not participating in Friday's Practice.

Machines entered in the competition must have successfully passed machine examination prior to taking part in any warm-up, practice, qualifying or racing.

An MA decal will be placed on the front number plate to indicate it has been examined and passed technical inspection. A further official technical inspection sticker will be placed on the frame on the left-hand side.

Competitors who wish to have their machines voluntarily sealed at either Round 2 can request to do so by notifying the Chief Technical Officer prior to the event commencing.

The Chief Technical Officer will designate a time which is suitable for both the competitor and technical team to complete the sealing of the engine.

Competitors must present their machines to be sealed in a way as directed by the Chief Technical Officer.

12.1 Submitting for Technical Inspection

- Remove lower fairing and carry it separately
- Remove radiator caps
- Remove belly pans, tape alone will NOT be accepted for sealing of belly pan plug holes
- Water/Non Glycol coolant must be in radiator
- Bikes must have a fluid catch tank
- Four-stroke motorcycles must have a fluid catch tank and breathe into a sealed air box as per the 2018 GCRs

12.2 Decals

MA reserves the right to stipulate that various stickers/decals are to be affixed to machines according to Championship sponsorship requirements.

For further information on Technical inspection requirements, riding numbers, eligibility checks and Impound competitors must read the Championship Supplementary Regulations.

12.3 Impound

After each qualifying session and race, all motorcycles used will be impounded. No Team members are permitted to enter the designated technical inspection impound (parc ferme) area until all machines have entered, come to a stop

and the Chief Technical Officer gives instruction to enter. At this time, ONLY three (3) team personnel, including the rider are allowed to enter per machine. Please refer to the Supplementary Regulations for further information, item 20.5

13 On Board cameras

No on-board cameras are allowed without prior approval. On Board Camera application forms can be obtained from the Race Office. Application is to be logged at the Race Office, application form completed and taken to technical inspection with your motorcycle with camera mounted. Technical inspection will then approve or decline application.

No Helmet cameras are allowed.

The rights to the video from onboard cameras belongs to Motorcycling Australia and cannot be used without written permission from Motorcycling Australia.

14 Qualifying/Grid Positions

As per the 2019 GCRs grid positions will be static for all races after qualifying times have been merged to determine the overall qualifying positions. Any rider not qualifying within 112% of the fastest time in that class will not be permitted to race.

Unless otherwise advised by the Clerk of Course, no participating bikes are to be taken into garages during a qualifying session.

In mitigating circumstances, the Clerk of Course may include any competitor who has failed to qualify. Times from practice sessions may be used for this purpose. Such riders will be required to start from the back of the grid. If the number of qualifiers exceeds the grid limit, positions will be allocated on a descending basis of times.

In the event of two riders achieving equal qualifying times the rider who sets the time first will qualify in the higher grid position.

Where the number of entries is greater than the track capacity for practice and qualifying, acceptance of entries will be in accordance with the following:

1. Riders who gained points in previous rounds in the respective class.
2. Riders who gained points in the previous year in the respective class.
3. Highest graded riders.

14a Kawasaki Superbike Qualifying, Format and tyre usage please refer to Series Supplementary Regulations V4.

15. Points Scoring

Points are awarded in accordance with the 2019 GCRs. The winner of each class shall be the competitor amassing the highest number of points over the scheduled number of races.

In the event of a race being cancelled in its entirety, no points will be awarded although the race will have deemed to be run in regard to the overall Championship.

One (1) Pole Point will be awarded to the Kawasaki Superbike, Supersport, YMI Supersport 300, and Sidecar F1 and F2 classes for pole position (as per Item 17.3).

Note Podium Presentations for Sidecar competitors:

The 1st placegetters in F1 and F2 sidecar will be recognized on the podium.

Superbike Rookie's Cup

Points scoring is based on overall Kawasaki Superbike points. A rookie is determined as their first full season competing in the Kawasaki Superbike class.

16 Start Procedure (Road Racing)

The start procedure is as per the 2019 GCRs.

16.1 Warm up-lap

All Competitors will be given one (1) sighting and one (1) warm-up lap for each event; with the exception of the Oceania Junior Cup and Sidecar competitors who will receive one (1) warm-up lap only; unless otherwise stated by the Clerk of Course. During the warm-up lap there will be no practice starts and/or weaving.

Riders returning to pit lane after the commencement of the warm-up lap and intending to resume, will be required to start the race from pit lane after the field has passed pit lane exit.

Competitors who elect not to ride the warm-up lap must start the race from pit lane after the field has passed pit lane exit. Competitors who are not prepared to start the race immediately upon the conclusion of the warm up lap will be required to move clear of the grid and may join the race as soon as the last rider passes them. If a rider has not commenced the race after the leader has completed one lap, the rider is considered to have retired.

17 Race Stoppages

ALL Competitors, Team Managers, Entrants and Crew Members are to refer to Item 27 of the Championship Supplementary Regulations Version 4 as of 1/3/19.

18 Tyre Services

The following tyre suppliers will provide a tyre change facility on site: Pirelli, Dunlop, and Bridgestone.

They will be located in the main paddock area.

Note: Pirelli Tyres need to be ordered in advance. Forms are available from ASBK.com.au

19 Tyres – All Classes

Coating, modifying, changing or altering the characteristics of the original design of tyres is prohibited for all classes.

For all rules relating to Tyres, ie Marking, Wet Tyre usage, Tyre Changes in race stoppages, change of tyres and Tyre Defect please refer to the Championship Supplementary Regulations for 2019, Item 34 and 35 www.asbk.com.au

20 Track Inspection

Competitors are invited to inspect the track by walking only, on Thursday 21st March between 1.00pm to 5.00pm.

Additional track inspection will take place on Friday, Saturday and Sunday between the hours of 7.00am and 7.30am. At ALL times be aware of the track crew vehicles that may be moving around the track setting up for the day.

21 Kawasaki Superbike and Supersport Media Grid

Pre-Race Media Grids will take place for both Kawasaki Superbike (Full Media grid) and Supersport (Full Media Grid) races. Only one umbrella person and two mechanics will be permitted on the starting grid in between the sighting and warm up lap/s as determined for each rider in either the Kawasaki Superbike or Supersport races. A full procedure for each Media Grid will be given at Rider's Briefing.

Note: It is compulsory for all competitors in both Kawasaki Superbike and Supersport to participate in the Media Grid.

Team/ Riders must notify the Race Secretary's office of umbrella persons at the event. Umbrella persons must sign an indemnity with the Race Secretary, prior to commencing for the day, at which time they will be issued with a pit lane access wrist band. Umbrella persons must wear closed toe shoes.

21.1 Fluids

Any equipment containing oil, water or fuel must **not** contaminate the track with fluids whilst being used. The only fluids allowed on the grid are drinks for riders which must be in spill proof containers.

Re-fuelling of motorcycles is not allowed and no additional lubricants other than that which are contained within the motorcycle are permitted on the track, this includes but is not limited to chain lubricant, brake fluid, engine oil or Non Glycol radiator coolant.

21.2 Tyre Warmers

All tyre warmers must be connected to their generators using the original power leads, which must not be longer than 3 metres.

- Extension cords are not to be used at all.
- Team members must start removing tyre warmers and equipment at the three-minute siren.

21.3 Equipment Removal

All equipment must be clear of the grid by the time the one-minute siren sounds. Failure to remove equipment by the required time or taking restricted items onto the grid will attract penalties ranging from fines to exclusion from the race at the discretion of Clerk of Course.

22 Notification of changes during the event – Competitor and or Machinery

Competitor withdrawals or application for changes during the event must be notified to the Race Secretary in writing. Forms are available from the Race Secretary's Office.

23 Pit Lane

Pit lane is part of the race track and as such travel will only be permitted in race direction. Pit Lane is not accessible to persons under the age of 16 years under any circumstances, unless during their session or race.

Fully enclosed footwear must be worn within this area at all times.

Access to Pit Lane will be strictly controlled. Only those personnel with the appropriate accreditation will be permitted

in Pit Lane. Accredited personnel are required to keep Pit Lane clear at all times and must remain either behind the timing wall (only when signaling) or within the concrete apron in front of the Pit Garage. Speed limit in pit lane is maximum 40km/h. Speed in the pit complex is 20km/h with a helmet to be worn at all times.

Class specific Wrist Bands for pit crew members (maximum 3) to access the Pit lane and Pit Wall will be issued from the Race Secretary Office.

All crew members must wear their MA issued identification bands on the wrist whilst in pit lane and or signal area. These are to be worn for all three days.

Access is only during relevant practice sessions, qualifying sessions and races. It is recommended that any equipment needed in pit lane be transported with trolleys.

Persons under 16 are not allowed in Pit Lane under any circumstances and must remain inside or behind the garages and must be under adult supervision at all time, unless during their session or race.

For safety reasons smoking is not permitted either in Pit Lane or Garages.

Competitors must travel in pit lane at no more than 40kph (unless otherwise specified). The restricted Speed Zone does not finish until the sign and white line after the control tower.

23.1 Pit Lane Working

Machines are permitted to be stationary and worked on in the designated areas to the left-hand side of pit lane. All crews are required to keep the active part of pit lane clear at all times.

23.2 Pit Lane Wall and Signal Area

No personnel will be allowed on pit wall at the start of a race. Once the field has passed the start line, only team members in control of pit boards will be allowed on the pit wall. Only those on Pit Wall in the Signaling area and Pit Lane with Entrant, Crew or Senior National Licence, the correct wristband, and have signed on will be covered under MA's personal accident insurance coverage.

Only three team members per competitor with the correct MA supplied pit lane identification wristband will be allowed in the Pit Lane area for the duration of their competitors on track session/race.

Once their race or session has finished then all team members must leave the restricted area immediately to make way for the next class.

24 Access to and Exit from Track

Pit Lane is one way only. Competitors housed in the permanent garages may join in practice, qualifying sessions, warmup and races from the front of their pit bays, after the conclusion of the prior session.

During practice/qualifying sessions and races competitors may use the pit lane for pit stops and only immediately prior to and during these sessions, the appropriate pit-crews for each of their session. All equipment must be promptly removed when the session ends. Service vehicles are not permitted in pit lane.

Exit from Track At the end of every session of practice, qualifying, warmups and racing, all bikes are to exit the track at the final turn and continue down thru pit lane. For all qualifying and racing sessions, competitors must return to their pits via the Technical Inspection Bay unless otherwise directed.

Those competitors located in the Back garages are to enter and exit track as follows:

Enter the track under the arch and ahead to Pit Lane.

Exit the track at the final turn, continue down pit lane and turn left after the Scrutineering Bay and before the Dummy grid enclosure.

25 Riding of Motorcycles in the Paddock

There is a fixed speed limit at all rounds of 6 km/h in the designated lanes of the pit paddock area. Competitors who break the speed limit or ride outside of designated areas will be penalized in accordance with the 2019 GCRS at the discretion of the Clerk of Course. Speeds may be checked with a radar gun or in pit lane with the timing loops.

Helmets must be worn at all times when riding in the entire pit paddock. This ruling applies to crew members and media also.

25.1 Pit Bikes

Riding pit bikes is prohibited in the paddock area. This includes bicycles, skateboards, rollerblades, scooters, mini-bikes, motorbikes, quad bikes or trail bikes being used by adults or children. To avoid fines, penalties, injuries and/or confiscation of these items, please do not bring them to the circuit.

26 Team Dress

All team members must be neatly clothed at all times during the meeting and presentations.

Team members and umbrella persons in Pit Lane must also ensure that they are appropriately clothed to meet safety requirements.

Please refer to Championship Supplementary Regulations for minimum requirements.
