

# 2020 ASBK Competitor Information Kit

Version 5

10<sup>th</sup> November 2020

Updates/Changes in Green

## Introduction

From 2020, the mi-bike Motorcycle Insurance Australian Superbike Championship presented by Motul (ASBK) will have Sporting Regulations in place of Supplementary Regulations. The ASBK Sporting Regulations are a combination of sporting, technical and judicial rules specific to ASBK, but will not include information that varies from year to year ie: Class Sponsors, Entry information, Forms, etc.

The Competitor Information Kit was created to supplement the ASBK Sporting Regulations and to provide competitors with all the additional information they require for the season for Rounds 2 – 3 and the Official Test.

Round 1 specific information will be communicated by PI SBK, the promoter of the round, in conjunction with WSBK. Information regarding media appearances will be sent by myself or ASBK Media

Competitors for all classes in ASBK (including support classes) are required to read this document and complete the required information as requested.

Please ensure you review the entire document in full to benefit yourself and your team members and to make the year run as smoothly as possible.

Final Instructions will be released one week prior to the event.

This document may be updated further from time to time and the latest version will be shared with competitors and post to [asbk.com.au](http://asbk.com.au)

All updates and changes will be in green. When a new version is issued a copy will be sent to all competitors and updated on Ridernet.

Kind Regards,

Sam Redfern
