## **ASBK Competitor Update - No. 19 - TECHNICAL BULLETIN**

Dear ASBK Teams & Riders,

Please find below the following technical information for the ASBK Championship:

### **CLARIFICATION OF ADJUSTABLE COMPONENTS ON SUPERBIKES**

Att Superbike Teams: Components that are adjustable on homologated ASBK Superbike motorcycles, may be adjusted providing no component needs to be added, changed, or modified when performing this adjustment. At all times, the OEM components must remain and cannot be replaced with kit or after-market items.

Kind regards,

Sam Redfern

Event Manager

Australian Superbike Championship
