

2024 Rider Number Allocation Process

This document outlines the process to apply for a Rider Number in the 2024 Australian Superbike Championship (“the Championship”). In 2024 riders may register a single-digit, two-digit or three-digit Rider Number. Please consult the latest 2024 ASBK Rider Number Allocation document before completing your application.

Requirements for the application:

- A rider who has competed in 3 rounds of the Championship in the same class in 2023 is entitled to carry over their already registered Rider Number to 2024*
- A rider may only register a Rider Number in one (1) class of the 2024 Championship*
- A rider who does not compete in three (3) stand-alone rounds in 2024 will forfeit their Rider Number *
- As per GCR 6.13.1.1 the number 1 plate in each class will be allocated to the winner of the previous year’s championship.

A rider will need to complete a Rider Number Application if any of the following apply:

- The rider is new to the Championship;
- The rider did not compete in the 2023 Championship;
- The rider did not compete three rounds in the relevant class in the 2023 Championship;
- The rider holds an existing Rider Number from 2023 but elects to change the number for 2024;
- The rider holds an existing Rider Number from 2023 but is changing classes; or

It is the rider's responsibility to confirm whether their Rider Number was carried over from the 2023 Championship. Please check the 2024 ASBK Rider Number Allocation document.

If a rider elects to run the number 1 plate based on their 2024 Championship placing as per 2024 GCR 6.13.1.1, the rider's 2023 Rider Number will be reserved to them for one (1) year only beyond which time the rider may forfeit their original 2023 Rider Number.

Single, double and triple zero are not accepted as valid Rider Number options for the Championship. Adding a zero before number 1-9 is not accepted as valid Rider Number options for the Championship.

All riders will be required to attach an ASBK patch to their leathers from Round 1 in 2024. An .eps version of the logo will be sent to riders and everyone is encouraged to organise to have the logo added to their leathers when other sponsor logos are added. The required placement is on the upper chest just below the shoulder. Competitors have the option to run on the right or left side. The patch must be a minimum of 10 centimetres wide by 3.5 centimetres high. A sew on patch is also available. This will be distributed at the Official ASBK Test.
