Please note if bringing a tent, it will need to be weighted or pegged down. Gates to the circuit are locked at night and security is on site, however ASBK does not take responsibility for any goods left overnight.

Please provide a list of branding and all sponsorship; branding which will be visible on display requires approval from ASBK to ensure there are no conflicts of interest.

If you would like to share a site or be next to a specific vendor, please notify ASBK of this. If you feel you know of other potential traders feel free to share this booking form and return to ASBK for review.

All vendors must provide ASBK with relevant insurance documentation/cover notes stating at a minimum, that the vendor is in fact insured for greater than ten million dollars in respect of public liability insurance that is applicable to their business. This **MUST** be provided prior to the event. Once received, ASBK will forward this to our insurer for assessment.

Your completed application will be assessed upon receipt. If accepted, you will receive a confirmation via email. Further details regarding site allocation, bump in/out times, gate entry, and an on-site contact will be sent in the lead up to the event.

Please note: All vendors are to provide their own power supply, as power will not be supplied.
