

## HARD CARD FAQ'S

### **What does a hard card get us?**

A hard card will work as your pass into any round (excluding Rd 1).

### **Do hard cards cost money?**

No! However, as per the terms and conditions if a card is lost or damaged for the remainder of the season you will incur a cost of \$25. If you want more than what is in your allocation, fill in the application on the asbk website – additional hardcard application

### **How many hard cards can I get?**

- Superbikes x 5 (including rider)
- Supersport x 5 (including rider)
- Supersport 300 x 4 (including rider)
- R3 Cup x 4 (including rider)

### **What rounds can I use my hard card?**

The series hard card is your ticket for all rounds, excluding round 1.

### **I don't want to use all of my available hard cards as I am unsure if some of my team are going to each round?**

That is okay! Your tickets are not linked to an individual. They are linked to your team; therefore, you can use them for different people at different rounds. If teams request hard cards, they will be issued the full entitlement, there isn't an option to split between hard cards and round only passes.

### **Where can I pick up my hard cards?**

Head to the race secretary on Thursday when you sign on. If you are not arriving until Friday, you will be able to pick your pack up at the accreditation box at the front gate of each round.

### **Can someone else pick my hard card up for me?**

Hardcards will be given to the rider at sign on

### **One of my team unexpectedly cannot attend any more rounds for the remainder of the ASBK season, can I transfer the card?**

Hard cards are not linked to an individual this year; therefore you can give the hard card to another team member with no issues.

### **I have lost my card, or my card is damaged what do I do?**

Do not worry! We can replace your card as per the signed terms and conditions. This will come at a charge of \$25. Please contact [events2@ma.org.au](mailto:events2@ma.org.au)

### **Question not answered here?**
